SRPN President's Report

During the past months, we've received three (3) proposals for the **Reserve Study**, and we are reviewing them to find which one best suits our needs. Updates will be reported as we go forward.

On a different note, we were recently informed about the **Magnolia Grant Program** and are making inquiries to see if SRPN would be eligible to obtain and use these funds to clean up our Common Grounds. We will keep you posted when we receive any updated information.

We recently had to remove an old bench from one of our Common Grounds, which was donated many years ago. Since we are all volunteers here in SRPN and have no paid staff, this wood and cast-iron bench could not be maintained. After getting several complaints about it being unsafe and unsightly, it was removed.

After complying with these requests, I started thinking about a Recycling Program I'd heard about at a Coalition meeting. Some of you may be familiar with Trex products; their products are made with recycled plastics. Something I didn't know is that they have a *Recycling Challenge Program*. **What this Recycling Challenge does is provide a FREE TREX BENCH TO A COMMUNITY FOR COLLECTING AND DELIVERING PLASTIC TO A PARTICIPATING RETAILER FOR RECYCLING. Trex provides a Community with up to three (3) Recycling Bins for the collection of the types of plastic that the Township doesn't accept on normal recycling pick up days. Examples of these items are bread bags, bubble wrap, case overwrap, zip lock bags, and the list goes on with fourteen (14) different examples they accept.** These types of plastic are usually thrown in the trash. **See NexTrex FLYER ON PAGE 26.** I posted this list with the details of this **Trex Bench Program** on the **HOA Bulletin Board in the SRPN Clubhouse** and will have it **posted on the SRPN.US website.**

There are several Communities already participating in this Program that have earned Free Trex Benches. **Some of these Communities have collected excess material and are willing to share their surplus with other Communities to help them meet their requirements.**

Communities are eligible for one (1) free bench per year of participation. There are several places around the SRPN Community where a bench would be welcomed. Like all Community Programs, **we need a Volunteer to run this Trex Bench Program.** This will be a commitment; the SRPN Board will work together with the Volunteer(s) to have it run smoothly.

A Holiday City South Resident, who runs their program, has offered their assistance to help anyone who would like to get involved in a Trex Bench Program for SRPN.

If you think you would like to volunteer your time and get involved in helping your Community with this program, or would just like more information, please contact the HOA Office during normal business hours at 732-286-4868.

Just a Note

Back in the late 1950's, my dad would have the console television tuned to the channel of his favorite show at least a half hour before it aired - just to make sure reception was good. Dad would fiddle with that rabbit-ear antenna by moving it all around the room as far as the wire would stretch. He'd raise it up above his head, put it on the floor, have one of us kids hold it - honestly, he'd try just about anything to make sure all the 'snow' and wavy lines were out of the picture well before the theme music for the *Ernie Kovacs Show* started.

I remember lying on the floor in front of the TV with my sister, rolling with laughter, watching the 'The Nairobi Trio'. (For those of you who are unfamiliar with The Nairobi Trio; it was a band on the *Ernie Kovacs Show* who simulated the music being played while wearing gorilla faces and derby hats. One guy sat playing the piano, one sat with a cigar dangling from his mouth conducting the music with a half-eaten banana, and the third guy stood behind the cigar smoker and, on cue, would rap on his derby with a large pair of drumsticks.) My dad's laughter would often eclipse ours. His laugh would start from his toes and explode into the room.

Years later, you could very well have heard the same laughter coming from our living room if the *Steve Allen Show* was on TV. Often, the next morning, my sister and I would do 'our version' of last night's *Man on the Street* from Allen's TV show for my parents. I would play the Don Knotts character (a very, very nervous pedestrian) being interviewed by Steve Allen's character, played by my sister. My mom and dad were a kid's dream audience - they'd laugh at our silly act and sometimes even ask us to 'do it again!'

My dad had a wonderful imagination. He invented a family game, in the 1960's, where each member of our family would take an everyday object from the house and create a pantomime about it for the rest of the family's entertainment. I guess it was his way of getting us to use our imagination and having the TV off for one night a week. Gee, even in the 1960's some parents were conscious of 'screen time'.

One game night, Eddie brought in a saucepan, stood in the middle of the living room pretending to cook something on the stove. He then tasted whatever was in the pan, made a scowling face and proceeded to act like he was vomiting all over the living room. (He was seven and found vomit to be hilarious - what seven-year-old doesn't?) Obviously, this was an *exaggerated* observation that Eddie mimicked about our mom in the kitchen ... we all hoped.

I was up next and excited to take the living room center stage. I had borrowed my dad's shaving brush and put it on my finger, pretending it was a parakeet. I made a 'cooing' sound and repeated "Pretty bird!" several times as I stroked the bristles of the brush. My sister found this to be so funny that the cream soda she was drinking shot out of her nose. Side note: she won the 'Most Entertaining' Award that evening for that trick.

My dad always enjoyed creativity and encouraged me to use my imagination. And it was my dad, throughout my adulthood, who continued to support my ideas and actions. Like most children of my generation, I took on my parents beliefs and views until I was old enough to form my own opinions. And although my political and religious views have changed over the years and differed from theirs, my parents' gift of humor and their love of sharing laughter never changed.

Thanks to dad, and mom too, what we found to be funny in the 1960's, is still funny in 2024. Why just the other day, my sister was drinking a glass of water and I said, "Pretty bird! Pretty bird!" and two seconds later, water was shooting out of her nose. Okay, it wasn't as effective as cream soda, but still ... funny! 😊

SRPN Men's Club Report

The first 2024 Men's Club All You Can Eat Pancake Breakfast was held on Sunday, January 21st. Lots of hungry residents turned out for some tasty pancakes, eggs, sausage, and plenty of hot coffee. This is always a great event, and if you haven't treated yourself to one of our breakfasts, check out the flyer in this newsletter for information on the **March 3rd Pancake Breakfast!** The eggs are always fresh, the coffee is hot and fresh-brewed, and the volunteer service is always great! You won't want to miss it!

We will have our **monthly meeting at the SRPN Clubhouse Social Hall on Tuesday, February 20th at its NEW TIME - 6 pm.** We will continue to accept annual dues at all the meetings and remember, **you must be a member of the Men's Club and in good standing (dues paid up to date) in order to play in the Men's Bocce League.**

Looking forward to seeing you at the meeting, the events and around the clubhouse! Stay well –
~ Mario Pisano

Medical Advice

It started with a little ache
A pain, a stab, a chill.
I quickly called my P.C.P.,
"I think I need a pill!"

Dr looked and saw my name
And said to his P.A.,
"This call's for you, it's not for me.
It will make your day."

The first words that coughed from my mouth
Told of my disaster,
"I looked on line to see what's wrong;
That made my heart go faster.

It seems I have what some would call
A major med event.
My breath is short, my mouth is dry
My B.P.'s in descent."

The good P.A. said knowingly,
"I think I have the cure.
Turn off the news, go for a walk;
Fresh air will help for sure."

Well, I'll be darned, the P.A.'s right,
My symptoms went away.
I called them back to let them know,
But they'd gone home for the day.

SRP FIRST AID AUXILIARY FINAL REPORT

It is with a heavy heart I am reporting that the Silver Ridge Park First Aid Auxiliary was dissolved as of December 31, 2023.

The Auxiliary has been an integral part of the Silver Ridge Park First Aid Squad since 1996. We were strictly a fundraising organization. With the dedicated leadership of our President, Eileen Sibert, we were able to raise \$219,000 since its inception. She was our backbone for the last twenty-eight (28) years and tried to recruit new members any chance she could. Times have changed and the membership has dwindled. The First Aid Squad is still going on, even without the Auxiliary, and will continue to look for new members.

Our fundraising efforts have always been our top priority. Even with our limited resources, in 2023, we presented the SRP First Aid Squad with a check for \$10,000.

Our thoughts and prayers go out to our Squad for always being there to aid and comfort us in time of need. We would like to send a sincere thank you to everyone who devoted their time to help us or attended our fundraisers. I personally will miss them.

May God Bless our First Aid Squad and keep them going for many years to come.

~ Linda Reiger - V.P / Publicity

“THANK YOU”

To my SRPN Family,

A sincere and heartfelt ‘Thank You’ for your prayers, calls, and cards, before and during my double knee replacement surgery. My recovery is made easier knowing I have so many caring people in my life. God bless you!

~ Linda Pisano

To the SRPN Residents,

Our thanks to all the residents who supported the various HOA Fundraising Events and Wiener Wednesdays this past year. We are planning another fun-filled year with lots of different events for you to attend. We hope you will join us!

~ Sincerely, The Fundraising Committee

Happy New Year and Thank You!

I want to take this opportunity to thank the SRPN Board of Trustees for allowing the Men's Club to use the Clubhouse Social Hall on New Year's Eve 2023. Even though the event was publicized only a few weeks before December 31st, there were about 40 residents who gathered together to share in some games, dancing, eating, and drinking, and everyone had a terrific time. And how about this - most of us were still there at midnight!

I'm hoping that a New Year's Eve Party will become an annual event at the SRPN Clubhouse. Our Social Hall should never be dark on the last day of the year - we have so much to celebrate as residents living here at Silver Ridge Park North. In my opinion, it's the BEST adult community in New Jersey.

Thanks to all who attended and hope to see you again at this year's New Year's Eve Party. Bring some friends! 😊

Best regards – George Thompson

Sudoku requires no calculation or arithmetic skills. It is essentially a game of placing numbers in squares, using very simple rules of logic and deduction.

The objective of the game is to fill all the blank squares in a game with the correct numbers. There are three very simple constraints to follow. In a 9 by 9 square Sudoku game:

- Every row of 9 numbers must include all digits 1 through 9 in any order
- Every column of 9 numbers must include all digits 1 through 9 in any order
- Every 3 by 3 subsection of the 9 by 9 square must include all digits 1 through 9

Every Sudoku game begins with a number of squares already filled in, and the difficulty of each game is largely a function of how many squares are filled in. The more squares that are known, the easier it is to figure out which numbers go in the open squares. As you fill in squares correctly, options for the remaining squares are narrowed and it becomes easier to fill them in.

Butt Calls

Every time the phone rings
I feel I must pick up,
Even if I'm busy, or
Have just sat down to sup.

“Hello, who is this calling?”
I ask in pleasant voice.
It could be cousin Charley,
Or maybe my friend Joyce.

But if I get no answer
Hear only clicks or whine
I know that it's a butt call,
A major waste of time.

I quickly stop this nonsense
By pushing 'end the call.'
But what if I'm mistaken
And it's important after all?

Sometimes I sit and ponder
About what's best to do.
If a butt has called me,
Should I butt back? Would you?

An Active 55+ Adult Community

RE: 2024 HOPA Update Required

Dear SRPN Resident(s):

The Federal Housing of Urban Development (HUD) mandates that all residents living/owning in an adult community must update their HOPA form every two years. SRPN residents complete the age-verification forms during the even years (ex.: 2024, 2026, etc.) regardless of date of closing or last submission. Recently a Resolution was filed with Ocean County which states any household that is not compliant will be subject to a \$500 fine. To avoid a fine, it is imperative that you return your 2024 HOPA form to the Association, either by mail, placing it in the drop box on the right side of the front door, or personally bringing it to the office. It is not necessary for you to submit another copy of your identification photos unless there has been an increase in the number of occupants residing with you. If this is the case, they must make an appointment to personally come to the office with two pieces of identification that show their birthdate. Also, a new form is required should the number of occupants decrease. Please be sure you provide the requested information for everyone occupying the property.

Should you have any questions, please feel free to contact the HOA office. The telephone number is listed above. The HOA office is open Monday – Friday between 9:00 – 11:00 am, and Wednesday evening 6:00 to 8:00 pm.

Thank you for your cooperation.

Sincerely,
