- 

My name is **Mark Cosenzo**. My wife Patty and I have been Silver Ridge Park North residents for the past 10 years. I would like to be considered for the trustee position for the January 1, 2025, through December 31, 2026 term.

I have been a Trustee on the SRPN Board for the past 3 years. During my time on the board, I have overseen and worked on our neighborhood watch program with Tony Borelli, continued to improve the bus service and ensure it is available to all residents and was involved with coordinating the repair of common area sidewalks and other areas at a cost within our budget. I also organized the Grill and Chill events this summer. The events were a great success raising money for the clubhouse and creating a more family-oriented atmosphere in our community pool area as well as attracting residents to come out that do not regularly come out to the pool. If elected, I would like to organize events throughout the upcoming year and beyond to bring more residents out to enjoy the clubhouse and amenities.

I am a retired law enforcement officer and have a bachelor's degree in criminal justice. I also worked for the Township Of Belleville Shade Division, overseeing the maintenance and removal of trees and I also owned and operated a deli-bake shop for several years.

If voted in as a trustee on the SRPN HOA Board of Trustees, I would continue to use my strong communication skills, prior experience, knowledge and forward-thinking mentality to assist and work along with the board members and residents to improve our community.

---

My name is **Donna Toni D'Addario** and I currently reside at 39 Westport Drive in Silver Ridge Park North. My husband, Mike and I moved here about 1 year ago from Clark NJ. I was born and raised in Newark, New Jersey, the oldest of seven children. Mike and I have been married for 43 years (together 53.) We have a daughter, son-in-law and granddaughter. I started working as an office clerical assistant when I was 15 years old after school and full time after graduation for a company that manufactured large pharmaceutical machines. I then worked as a legal secretary and manager of an office for a sole practitioner. I moved on to work for an otolaryngologist's office pulling charts, working the front desk and then in the billing department. I then moved on as manager of the billing department for a physical and occupational therapy office. I volunteered every year at the Clark UNICO Italian-American festival, working the game trailers, 50/50, etc. This past year as a resident of Silver Ridge Park North, I volunteered at the Grill & Chill events during the summer and as a substitute pool monitor. I am part of the women's club and I participate in bocce, Zumba and the exercise programs. The Silver Ridge Park North community has been very welcoming to us from the day we moved in. I would love to give back to the HOA and community by serving on the Board of Trustees. My extensive clerical and bookkeeping experience would be a great asset to the HOA and Board. If you vote for me, I will do my best to work alongside all of the trustees to continue to improve our community.

I hope this letter finds you well; my name is **Ed DeMeo**, but I am better known as the guy who walks Rigatoni around town.

I have seen a great deal of growth in this community since we joined its ranks four years ago. The capital projects-the rehabilitation of the community pool to the refurbishment of the club house with the addition of a new roof and a new parking lot - tell only on part of the community’s success story. Neighbors have come together to enjoy the pool-side Grill and Chill, attended special events at the clubhouse and participated in the Men’s Club River Cruise. I have come to greatly appreciate the community interaction, making new friends and supporting the community; I presently serve as the Vice President of the Men’s Club.

I ask that you consider me for a trustee position, so I may help build upon the good work already accomplished.

The concept of community has been of great importance to me as a life-long educator, especially as I transitioned from high school English Teacher to Assistant Principal to Principal in the New York City system. Everything accomplished in education is based on enhancing the communal life for all constituents. I bring 28 years of managing people and resources as an educator, and three years of business experience. Combined, I have been coordinating with people to achieve common goals for 31 years. As a result, I have learned to become an active listener who will thoroughly listen to others and then share an opinion. I believe in working for the common good. Thank you.

### **Vito Tassone** - 16 Mapleton Rd - Summary of Work Experience

I was a Trustee for 4 years (2015-2018) and volunteered as the HOA’s bookkeeper for two more years (2019-2020). During my four years as Trustee, my accomplishments included realigning the Terms of Trustees as they are today, revising the Financial Report in our HOA Newsletter, creating a comprehensive budget and creating an Emergency Fund in the Capital Budget. I also was the lead Trustee in formulating a plan to renovate, repair and upgrade our Clubhouse and pool. The work was prioritized and scheduled in phases over a 3 year period. This included, but not limited to, renovating bathrooms, card room, billiard room and Hallway. The banquet hall was renovated by installing a new floor, ceiling panels, ceiling fans and LED lights. A new heating system and A/C Units were installed and the pool was completely overhauled. We also installed a new Handicap Ramp, new sidewalks and modified the entrance/parking lot curbs to be graded without a curb.

I was very lucky to have worked with a number of Trustees during those years that put aside their differences and worked as a team to get all that work done. Everything we did was with the Community in mind and we never forgot that when making decisions.

I am running for Trustee so that I can continue serving our Community and help keep our HOA on the right course through my experience and knowledge. I had been a big asset during my years serving our HOA and am ready to take it to the next level. I am open minded and willing to work together to get things done. Thank you Vito Tassone

## SRPN Presidents Report

Hello everyone. Hard to believe November is here and we will begin celebrating the holidays again.

At our October HOA meeting, Mayor Bacchione held his annual “Townhall” meeting which was very informative and well attended. I can’t review all the topics, but I’ll give you some of the highlights.

- **Tunnel to Towers** will be building Veteran Housing in Berkeley Township at **Route 9 and Sloop Creek Rd.**, covering eight acres. Housing will consist of 99 apartments, 24 single family homes, along with having medical and exercise facilities on site. **These homes and apartments will be Deed Restricted, meaning only veterans will be eligible to live there.**
- **Robo cans are coming to the adult communities in Berkeley Township beginning in 2025. Each household will get two (2) FREE 65-gallon robo-cans; one for garbage, one for recycling.** A 95-gallon can is available, instead of a 65-gallon, BUT you must sign up with DPW. They are creating a list, so if you’re interested give them a call and get on their list. If you need more than one can, you will pay for the extra one, and this money will be refunded to you upon return of the can. Having robo-cans will allow the Township to have half the number of trucks on the road which translates into half the fuel used. This is a huge savings. Weekly pick up schedule will remain the same. **Bulk pickup being done the day after our regular garbage day, and you will need to contact DPW ahead of time to make them aware you have a bulk pickup.**
- **Code Enforcement** was also at the meeting. As a resident, you can call Code Enforcement if you see an issue in our neighborhood that concerns you, **which is kept confidential.** For example, someone not maintaining their home is something we deal with often. **There is the benefit of ‘time’ if you call the township instead of going through the HOA.** When a complaint is filed with us, it takes a minimum of thirty days. We’ve had complaints that have taken five months to resolve due to the steps the HOA is required to take. **The township can resolve this complaint much faster than we can.**

Wishing you all a great Thanksgiving, from the Delpome Family.

### Autumn on the SRPN Bocce Courts

Bocce ... it’s not just a Spring Event anymore. On September 17<sup>th</sup> we began our 4-Week Fall Bocce Season and, wow, what a great turnout! There were more than fifty participants (57 to be exact) that made up the fourteen (14) teams. The teams faced-off for some friendly competition each Tuesday evening on the SRPN Clubhouse Bocce Courts - a good time was had by all.

Congratulations to the **Top 3 UNDEFEATED Teams** for the entire four week season:

**Team 8 - Pat & Mark Cosenzo and Theresa & Bob Conte**

**Team 11 - John Starr, Maryann Stewart, Linda & Mario Pisano**

**Team 14 - Theresa Rush, Tony Borelli, Sal Ciavuzzo, and Blanch Hyle**

A big *Thank You* to ALL the players, officiants, and the friends that came out to cheer for the teams. I hope everyone had as much fun as I did. With such a successful turnout, we are aiming for a longer season next year. See you all in the Spring for the regularly scheduled Men’s Bocce and Women’s Bocce Season.

~Theresa Conte

To join our post, just bring a copy of your Discharge (DD-214) to our meeting and you'll receive a hardy welcome and refreshments before the meeting. If you need a ride to the meeting or want more information without any obligation call Past Post Commander James Egan at 732-644-2119.

Remember if you hear of any Post member passing away or being in the hospital, call any Officer, and let him know.

Remember to fly your flag on Veterans Day.
- **Tuesday, November 26th, at 7:00 pm V.F.W. Post 10185's Officers will attend V.F.W. District 12's meeting** at V.F.W. Post 9503, Bayville, New Jersey, where the latest V.F.W. Programs and events will be discussed.
- **Thursday, November 28th, is Thanksgiving Day.** Let's all remember to give thanks for all we have received and the freedom we enjoy.

The VFW would like you to drop your old and faded Flags off at either H. C. S. (Main Building), SRPN, SRPW, SRPE, Westerly, Holiday Heights, and Holiday City Berkeley Clubhouses.

## SRPN Men's Club Report

I'm happy to report that last month's **Italian Night** event was very well attended. Everyone enjoyed the music, and the food was great and plentiful. A big 'Thank you' to all the volunteers who made this possible and to all the guests who attended.

Our next event is the very popular **\$1,100 Bingo Sunday, on November 17th**. The doors, and the kitchen, will open at **1:30 pm** and the **first of ten games will start promptly at 2:30 pm** in the North Clubhouse Social Hall. Admission is \$20 at the door (no pre-sale tickets) which includes a 10 sheet pack with markers (4 Bingo Boards per sheet). Also, additional Bingo Sheets (10 Sheet Pack) are available for purchase of \$5 each. See our flyer in this newsletter for more details. Be aware that alcohol is NOT permitted in the Clubhouse during the Bingo Events.

**The next Men's Club Meeting will be on Tuesday evening, November 19th at 6 pm.** We're looking forward to seeing you there. With the weather getting colder, come over to the SRPN Clubhouse where it's nice and warm ... join in on playing some ping-pong, or billiards, or maybe have a friendly game of cards with the guys.

See you around the Clubhouse!

~ Mario Pisano, President

## SRPN Women's Club Report

Our next meeting is Thursday, 11/17 at 1 pm. We are working on our Christmas Party which will be held at our December meeting on Thursday, December 19 at our beautiful clubhouse. Info and flyer will be on our Women's Club board.

Our secretary Marsha would like to thank all for the cards, phone calls, visits, masses, and mass cards she received during her last illness. She was very touched by all the support.

Thank you all for your support of the women's club. You ladies are the best.

Tina, Gail, Pat, and Marsha.

## Still Paying It Forward

As technology continues to play a significant role in data retention, acquisition and use, it is extremely important to **guard your personal information**.

Various companies / businesses that you conduct transactions with often ask you for more information than they need to provide service. **Most physicians request your social security number when filling out questionnaires - DO NOT give it to them - they do not need it. The same applies to Reward Cards provided by grocery stores, pharmacies etc.** If asked for your date of birth on any questionnaire, leave it blank. If asked to provide it, ask why. Obviously, in some cases, it is necessary.

If asked for a photo ID, **avoid providing your driver's license if possible, and if you must, demand that they not copy it. State Photo ID cards can be easily obtained and are a much safer method.** Passports, Military ID's, VA ID Cards and any government issued photo ID will suffice. A state driver's license has enough data to open a credit card account.

Data breaches are on the increase and Federal Laws have been enacted to make those companies that have been hacked, provide appropriate information and remedies to the victims. However, being a victim has less impact if less information is provided to begin with.

**Your personal information is only as safe as you keep it. Always challenge why certain information is needed and don't be afraid to walk away if you don't like answers.**

## Drink to Democracy

### Straight Up

We are the people  
Who have created this mess  
Of moral morass.

### On the Rocks

Our forefathers saw  
A land of equals like them;  
Their glass was cloudy

### Bottoms Up

Trickle down theory  
Works only if you're on top;  
Some take all they can.

### Knock One Back

Progressive thought stops  
At the minds of those in charge,  
Who like status quo.

### Off the Wagon

Sobriety ends,  
Rational sense is pooh-poohed.  
Who cares anyway?

### Under the Table

Where the dead things lie,  
Like trust, honor and justice.  
Darkness hides the truth.

### Hair of the Dog

Not one's best moment,  
Regret comes a tad too late.  
Resolve hesitates.

### No Chaser

The time's always now  
To see how things really are  
And protect our rights.

## Pay it Forward

That time of the year has come when a certain day has been set aside to recognize and pay tribute to our country's Veterans. Although November 11<sup>th</sup> of each year is designated as a day of honor, respect and thanks, the keepers of the gate of democracy should be remembered and honored all year long.

While it appears that we are not engaged in any wars at this time, many unapparent skirmishes are occurring around the world that the average citizen may not be aware of. Our Veterans stand ready to defend our freedoms and democratic way of life from all who would attempt to thwart them, foreign and domestic alike.

**Take the time, today and every day, to thank a veteran for their service. Stop by any memorial you may occasionally see and acknowledge their courage and sacrifice.**

**BUT FOR OUR VETERANS - WE WOULD NOT BE FREE!**

An Active 55+ Adult Community

---

**RE: 2024 HOPA Update Required**

Dear SRPN Resident(s):

The Federal Housing of Urban Development (HUD) mandates that all residents living/owning in an adult community must update their HOPA form every two years. SRPN residents complete the age-verification forms during the even years (ex.: 2024, 2026, etc.) regardless of date of closing or last submission. Recently a Resolution was filed with Ocean County which states any household that is not compliant will be subject to a \$500 fine. To avoid a fine, it is imperative that you return your 2024 HOPA form to the Association, either by mail, placing it in the drop box on the right side of the front door, or personally bringing it to the office. It is not necessary for you to submit another copy of your identification photos unless there has been an increase in the number of occupants residing with you. If this is the case, they must make an appointment to personally come to the office with two pieces of identification that show their birthdate. Also, a new form is required should the number of occupants decrease. Please be sure you provide the requested information for everyone occupying the property.

Should you have any questions, please feel free to contact the HOA office. The telephone number is listed above. The HOA office is open Monday – Friday between 9:00 – 11:00 am, and Wednesday evening 6:00 to 8:00 pm.

Thank you for your cooperation.

Sincerely,  
Board of Trustees

### **Just a Short Note**

Over the river and through the woods ...

It was the fourth Thursday in November, 1962 in Lyndhurst, New Jersey and it had snowed overnight. Dad was outside putting the chains on the car's tires, in the freezing cold, and swearing up a storm, before we left for Hamburg to spend Thanksgiving with our relatives. Mom wrapped up all her 'still warm' Thanksgiving side-dishes in some beach towels, placed them in the back part of our station wagon, and we were soon on our way.

From the back seat, I could smell the mashed potatoes (that, by the way, had a full stick of butter in it), the string bean casserole, and the maple syrup glazed carrots in the back of the car. The music from our Rambler's AM radio was playing the season's first Christmas tunes, which drowned out the sounds of my growling stomach. My sister Lynda and I began singing along, "off key" on purpose, until Mom turned around from the front seat and shot us 'the look' to knock it off. Eddie insisted on wearing his Pop Warner Football helmet to my cousin's house, and with the way Dad took some of those curves in the road, well it seems as though Eddie may have had more foresight than we gave him credit for!

My ears popped as we drove into a higher elevation - the sun came out, the tree branches glistened, the mountains were covered in a pristine blanket of fresh snow and we were all excited to spot a family of deer (uh, not too much these days). Dad made the turn into Scenic Lakes and when we reached Joan and Charlie's house, we were greeted with smiles and hugs from them and from my Mom's sister, Aunt May. As I entered their home, there was a faint aroma of burning wood from their fireplace. I remember thinking how much the 'snaps' from the fire sounded like the 'round strip of red caps' we'd smash with rocks on the curb during the summer, only just a few months ago. Looking back, the fireplace may have been burning, but it was definitely the love and memories we shared that made us feel warm that day.

Worth mentioning - that Thanksgiving was the first time I had 'giblet' gravy, unbeknownst to me! I thought it was 'mushroom' gravy. So, a special thanks to my sister for describing, in detail, what giblets were to me, while I was eating! And apologies to everyone at that table for having to witness this 10-year-old's inability to keep giblet gravy down.

You know, growing up in the Kaminski household, my brother used to get blamed for almost everything (*and rightly so*) but this one ... this one was definitely on Lynda. Literally! 😊

*Wishing you All a memorable and blessed Thanksgiving!*

*~ Leslie Reese, November 2024*
