SRPN President's Report

As I compose this report, I'm reflecting on the recent months that have passed, and am excitedly anticipating the immediate future. We have four new Board of Trustee members who have handled their adjustment period flawlessly by taking on tasks and providing insights for the benefit of all Silver Ridge North Residents. We can now enter, what figures to be, a very definitive period with increased confidence.

The Trustees and Residents alike will very shortly be presented with the results of a mandatory Reserve Study which has determined the need, and requirement, of a slight increase in our dues. In addition, a proposal for an Operating Dues raise is also on the table and can be passed with the approval of the membership. We also have Bylaw changes and Covenant changes that are being put forth. These are very vital subjects and have received the most intense and lengthy scrutiny from a very dedicated committee covering the last few years. We must now proceed to give them our thoughtful attention. The present body of Silver Ridge Park North Residents and, equally important, our future Residents will be seriously impacted by the results of our decisions.

On a somewhat lighter note, at the time of this publication, we'll be mentally preparing ourselves for the coming spring season. The nicer weather will give birth to those things we always look forward to; the community pool, bocce games, shuffleboard, and outside activities in general. Reminder - we continue to have the need for anyone prepared to volunteer (in any way, shape, or form) with those activities.

In closing, sincere wishes to all to stay healthy and happy until next time.

~ Gary Klaw

Dates To Remember

Just a Note

Nappatizer: a sleep appetizer. i.e. - falling asleep on the couch

Back in 1957, parents had a choice of enrolling their children in either the morning or afternoon half-day Kindergarten session. There was no pre-school class back then, so you learned your alphabet, numbers, colors, and the Pledge of Allegiance along with your classmates. We sang songs, colored pictures and did seasonal art projects that we took home for our parents to display on the refrigerator. We'd have our afternoon snack of milk and cookies, while our teacher, Mrs. Russo, played songs on a big upright piano.

I remember, every afternoon, after we'd finish our snack, Mrs. Russo would clap her hands twice and announce, "It's Nap Time!" We'd race into the cloakroom to get our mats out from our assigned cubby holes. Then we'd place the mat on our desktop, cross our arms on top of it, and put our heads down for fifteen minutes. Some children would fall asleep, others would pick at the fibers in the mat, and some children, like me, would talk to whoever was next to them for the entire fifteen minutes! Mrs. Russo would stroll around the room, and when she'd get to me, she'd stop and tap her bony finger on my shoulder. Looking up, I'd see that bony finger in front of her pursed lips, shushing me. Every nap time it was the same routine, and honestly, you'd think she'd give up, but nope, she was persistent ... and I was loaded with sugar. Consequently, "*Leslie is unwilling to control talking during class*" appeared under Comments on my Report Card. Actually, that comment reappeared throughout my school years. Okay, so maybe it wasn't the sugar.

Mrs. Russo would be proud of her persistent efforts because nowadays, I enjoy an occasional nap ... and by 'occasional', I mean almost 'daily'. If I happen to be home around 3 PM and watching the television, I sometimes close my eyes JUST for the commercial and wake up a half-hour later. Once, one of my *commercial naps* got away from me and it turned into a 2-hour nap! When I awoke, I told myself "*Well, you must've needed the rest.*" Well, I threw that rationalization out the window later that night when I was still awake at 1:30 AM and watching Episode 7 of a 12 part-series on Netflix with the horrible realization that I was going to be awake to finish the entire series!

Some people swear they don't nap but I have my suspicions of that being true after growing up with my dad. I remember one particular afternoon when dad fell asleep on the couch — my mom woke him up saying, "*Ed, Ed, get up – you've been napping for over an hour.*" His reply for her misinterpretation of him sleeping was, "*No I wasn't — I was covering my eyeballs with my eyelids because they were cold.*" Ahh, I do miss my dad's quick, but lame, comebacks.

Thinking back, Mrs. Russo was such a wise woman — passing on the importance of taking time out of the day to relax and value quiet time to her young Kindergarten class. ALL my classmates were so fortunate to have that quiet Nap Time each and every day. Well, not ALL — there was that not-so-fortunate kid who was sitting next to me. 😊

"Clap, clap — "It's Nap Time!"

Still Paying it Forward PROOF OF SERVICE - DD 214 FORM

In order to secure benefits veterans have earned, proof of service must be presented, and the DD 214 form is the primary document used to satisfy that requirement.

During my recent encounters with veterans as a Chapter Service Officer for our local Disabled American Veterans Chapter, two had passed away. When the next-of-kin sought to bury them in a local veteran's cemetery, they did not have the required DD 214 form.

There is a web site <http://www.archives.gov> that you can use to secure proof of service. In this particular case, click on "Burials and Emergency Requests." This page will explain how to obtain a copy of the DD 214 form. Read the entire page as it provides a lot of information.

If you need a DD 214 form and want to request one for future use, submit an on line request through the website or you can obtain one by writing to NPRC, 1 Archive Dr, St Louis, MO 63138 and/or call 314-801-0800.

If you are the next-of-kin of a veteran, probably the most important action that you can take is making sure they are able to apply for those benefits which they have earned, including a final resting place.

This problem is far too prevalent. Fortunately, the veterans I mentioned earlier were granted burial requests, because the next-of-kin were advised of the archives web site, and the veterans cemetery worked with the funeral directors involved.

Here's What I Know About Trees

Trees grow with ease,
Trees will always please,
Will sway in a breeze,
Will never hide your keys,
Or make you sneeze,
Or give you fleas,
Trees will never tease,
Or eat your cheese.
They can make you say "Jeeze"!
Give homes to the birds & the bees,
They never charge fees,
Or force you to eat your peas.

~ Mario Ciasulli

NJ will combine Applications for Senior Freeze, ANCHOR, and StayNJ Property Tax Relief Programs

Applications for State Property Tax Relief Programs will be streamlined this year, at least for some New Jersey residents. In order to comply with the oft-discussed — though still not active — StayNJ Program, there will be **one application for Property Tax Relief Programs**, state officials said.

The single application will be used by seniors aged 65 or older, disabled homeowners, and mobile homeowners for Senior Freeze, ANCHOR and *StayNJ*, *which is set to start next year*. **By early March, the combined application will be sent to more than a million households throughout the state.**

“This new one-stop application will make it simpler for residents to apply for the property tax relief benefits they’re entitled to,” Treasurer Elizabeth Maher Muoio said in a statement. “We’re pleased to offer this convenience to New Jersey’s senior and disabled community first, as many are already familiar with the ‘blue book’ formerly used for Senior Freeze.”

For those who have not applied before, the form and instruction packet is available online at www.propertytaxrelief.nj.gov.

The form, known as the PAS-1, will replace the previous Senior Freeze and ANCHOR applications, eliminating the need for taxpayers to apply to each program separately.

The state Treasury Department noted that the “availability of New Jersey’s property tax relief programs is subject to state budget appropriations.”

As for the homeowners and renters who don’t qualify for this combined application, most will still receive an ANCHOR Benefit Confirmation Letter this summer with information about automatic eligibility for that program, while other eligible residents may receive an ANCHOR application mailer inviting them to apply.

When are the deadlines to apply? Combined application payouts will begin in July, and the deadline to apply is Oct. 31.

Poem for Spring

The time is nigh
We've turned the tide
It's almost ready
To go outside

A gentle breeze
Caresses the cheek
Of those of us
Who sunshine seek

God's creatures large
And creatures small
Who live outdoors
Survived it all

A mini snowfall
Twice came our way
The first one quick
The second stayed

It changed our view
Without a doubt
Of whether we really
Must go out

But all of that
Is in the past
Enjoy the Springtime
While it lasts.

~ Elaine Chiodi

I hope that my contribution to the Board during my thirteen month term was favorable. Again, thank you!

Best wishes to all ~ Theresa Conte

After discussion regarding sheds at the Silver Ridge Park North (SRPN) Trustee meeting, held on Tuesday, April 7, 2015, the Trustees unanimously agreed to Rules 1-8. Updated Permit/Form information - February 2019.

1. In keeping with Berkeley Township's Shed Ordinance, homeowners are permitted, effective this date, to install one (1) shed on their property; up to and including 120 square feet (10 ft. x 12 ft.);
2. Said shed may be of any structure material the homeowner desires;
3. Sheds that are required to be fastened must be on a firm ground structure. DO NOT place any shed on a cement slab. Cement slabs add square feet to your taxable living space and will be taxable by Berkeley Township;

7. Homeowners MUST submit an Architectural Approval Request form to the SRPN Architectural Committee. *Architectural Approval Request forms are available in the SRPN Clubhouse Lobby;*
8. The homeowner MUST submit a **Zoning Permit Application**, required fees, and forms to the Berkeley Township Town Hall/Zoning Office. *Zoning Permit Application forms can be obtained from the Berkeley Township Website or Zoning Office.*

2024 Verification of Occupancy Survey Form Reminder

FOR ALL HOMEOWNERS AND RESIDENTS

The Federal **H**ousing of **U**rban **D**evelopment (HUD) mandates that all residents living/owning in an adult community must update their HOPA form every two years.

SRPN residents must complete the age-verification forms during the **even years** (2024, 2026, 2028, etc.) regardless of date of closing or last form submission.

Recently a Resolution was filed with Ocean County which states “**any household that is not compliant will be subject to a \$500 fine.**” *IF YOU HAVE NOT SUBMITTED A HOPA FORM IN 2024, PLEASE DO SO, IMMEDIATELY.* To avoid a fine, it is imperative that you return your 2024 HOPA form to the Association, either by mail, placing it in the drop box on the right side of the front door, or personally bringing it to the HOA office during business hours.

It is not necessary for you to submit another copy of your identification photos unless there has been an increase in the number of occupants residing with you. If this is the case, they must make an appointment to personally come to the HOA office with two (2) pieces of identification which includes a birthdate. Also, a new form is required should the number of occupants decrease. Please be sure you provide the requested information for everyone occupying the property.

A HOPA Form has been placed in this newsletter for your convenience on the adjacent page. Forms are also located on the ‘File Wall’ in the Clubhouse Lobby outside the Library/Game Room. Should you have any questions, please feel free to contact the HOA office. The telephone number is 732-286-4868. The HOA Office is open Monday – Friday between 9:00 – 11:00 am, and Wednesday evening 6:00 to 8:00 pm.
