SRPN President's Report

As I compose this report I'm overcome with a sense of relief that the cold, rainy, snowy and windy winter is behind us, and we can all look forward to enjoying the amenities that come with our spring and summer lifestyles. The anticipation of the pool opening, the utilization of the bocce courts, the shuffle board courts being occupied, trips to the Jersey Shore, and much more are soon to be a reality.

Let me begin by welcoming our newest Trustee to the Board, Bruce Cashman, and, on behalf of all the residents, thanking him for the contributions he has already made and those that he will continue to make. Congratulations to Linda Pisano for accepting the role of Vice President and Vito Tassone for graciously becoming Treasurer. We are all extremely grateful to you both for supplying the extra effort necessary to continue to make this community as great as it is.

The collection of dues to cover the funds necessary to meet the reserve study has, thus far, gone very smoothly. Thanks to all for cooperating in the manner in which you have. For anyone who has not sent in any addition payment for, at least, the second quarter, the deadline is approaching. Any questions that you may have don't hesitate to contact the office during business hours. Any additional operating increase will need to be voted on and will not be put in place until next year. Information on when the voting meetings will be held will be mailed out to each household.

The NJ Motor Vehicle Commission will be setting up a van in our parking lot on Friday, May 9th for license renewals, Real IDs, and other necessities. I presume that upon the arrival of this newsletter most, if not all, appointment times will be taken. If not, you may still have the opportunity to take advantage of this valuable service. To those who have already registered, let this serve as a reminder to attend. We would be happy to assist you with any other information that we could possibly provide.

As the weather improves we, of course, have visions of the pool opening. We have utilized a portion of the funds donated, unselfishly, by the Men's Club Bingo, to purchase additional chairs and tables to add to our poolside comfort. We will be formulating our pool monitor schedule very shortly. Please!!! Anyone who has any interest in contributing to the community by volunteering as a monitor, pool opener, or pool maintenance person. Please be in touch!!!

Congratulation to us!!! Our plastic collection has qualified us for a bench. We exceeded more than the 1000 pounds required and donated our excess to Silver Ridge Park West. They have expressed their gratitude for our assistance. The color and location of the bench has not yet been determined as of this writing. Collection for next year's 1,000 pound will resume on Thursday, May 1st. There is no way I can thank Ginny Rieman and Mario Pisano enough for their super human effort in making all of this come to pass.

Until next time, everyone stay safe and be well and thank you all for helping to make Silver Ridge Park North all that it is.

~ Gary Klaw

Just a Note

Back in the 1950's, my dad had a second job in town. That wasn't unusual, especially in Lyndhurst, where lots of dads took second jobs because lots of moms were 'stay-at-home-moms'. Now, I'm not saying that staying at home taking care of the kids and the house wasn't a job – far from it! Those moms had a 24/7 job, and they took care of, well, just about everything when the dads weren't home. I remember whenever we'd be trying her patience, mom would look up at the ceiling and say, "*Geez, Louise! Where's the timeclock so I can punch out!?*" and I would wonder "*Who's Louise, and what's a timeclock, and why does she want to hit it?*"

But I digress ...

Dad's second job was working at The Garden Deli, on the corner of Chase and Page Avenues. Sadly, it's gone now; replaced with an apartment building. Ah, the corner delicatessens – boy, I miss those small establishments. Back in the day, mom would send me just across the street to Sam's Deli, on Kingsland Avenue. She'd give me a dollar to buy a loaf of Wonder bread, a quart of milk, and a quarter pound of liverwurst ... and if there was change (*which there usually was*) I could buy something for myself. Now, I know what you're thinking: candy or a bag of chips, right? Wrong! Nope, I'd head right over to the pickle barrel – and I'd scoff down that whole Polish pickle on my way home and have it finished before our front steps were even in sight! Mom didn't need a keen sense of smell to tell I had eaten a pickle ... Cripes, anyone within 10 feet of me could tell!

I remember one cold afternoon, at the end of dad's Saturday shift, he called home from the Deli to let mom know he was on his way. That was her cue. She pushed the ottoman into the other room, took an old tablecloth and sprawled it out across the living room rug. Confused, my brother, sister, and I just watched her as she rushed back and forth to the kitchen getting paper plates, napkins, forks and knives, and some condiments. Then dad walked in the front door with two big brown paper bags filled with Deli food; fresh Kaiser rolls, a bunch of cold cuts, macaroni salad, olives, potato salad, cole slaw, potato chips, ... and of course, pickles. Dad loved pickles just as much as I did. "Come on, sit ... we're going to have a parlor picnic!"

Well, that was our first of many indoor family picnics. As a kid, I loved our parlor picnics and wanted our three-year-old granddaughter to experience this wonderful indoor adventure. My opportunity came one Sunday afternoon during one of her visits with Jack and me. There she stood, with the same confused look on her face that my siblings and I had, as she watched me go through the same routine my mom did ... I sprawled out an old tablecloth across our living room rug and placed all the picnic necessities on top. Then, I rather loudly announced (*like I just invented penicillin*), "We're going to have a Living Room Picnic!!" She stared at me for a few moments, then said, "Meema, this is really weird." (Augh – it's rough being judged by a three-year-old.) However, 'weird' changed to 'fun' when I got some black olives and stuck one on each of her fingers. "Oooo, that looks just like a space monster. Let's go scare Grandpa." Oh, she loved that! Yup, ya gotta know your audience!

Well, our 'little' granddaughter is now thirty-five, with three children of her own. The other day, I got a phone call from her three-year-old. "Grammy, guess what! Yesterday, we had a picnic ... in our living room!! Isn't that silly?" I replied, "Wow, that sounds like it was fun!" And for a moment, I pictured his mom's first living room picnic and my first parlor picnic. I smiled. 😊 Then asked, "Any olives or pickles at your picnic? ... I'm just asking for a friend."

Happy Picnicking!

Welcome our Newly Appointed Trustee to the SRPN Board

Bruce Cashman

On April 1, 2025, during our monthly Homeowners Meeting, Bruce Cashman was installed as the newest member to the SRPN Board of Trustees. Bruce's contact information and responsibilities with the Board can be found on the Directory page of this newsletter. His term will expire on December 31, 2025.

The following is a brief summary of Bruce's submitted bio:

My name is Bruce Cashman, I am 72 years old, and I have been a resident of Silver Ridge Park North for 6 years.

Before moving to SRPN, I lived in Concord Village in Jackson; a small condo community consisting of about 40 homes, where I held the position of President of the Association. Some of the duties I was responsible for was - overseeing the maintenance of the grounds, making sure the Association Membership Dues were current and up to date, and addressing any/all of the resident's concerns. The position of President of the Association also allowed me to become a member of the Jackson 60 Acre Coalition for Condo Associations.

I had also owned, and operated, a small van service that provided shopping and entertainment trips to many of the local senior communities. As you can see, I've had experience in community service, and I welcome, and look forward to, the opportunity in which to serve on the SRPN Board for the benefit of our residents and our community.

HOMELESS VETERAN PROGRAM

In 2022, the Tunnel to Towers Foundation launched a new national campaign to eradicate homelessness in the veteran community. This program provides a stable home and a wide range of needed services to diagnose and solve the root causes of veteran homelessness, addressing a veteran's specific emotional, financial, and physical needs.

To date, Tunnel to Towers has provided housing assistance and access to supportive services to over 10,000 veterans and their families through the Veterans Villages across the country and the National Case Management Network.

The Foundation believes no veteran should live on the streets of the nation they signed up to protect.

Still Paying it Forward ~ Memorial Day

It's that time of the year that we, as Americans, pay our respect to those who gave their lives for the freedom we continue to enjoy each day in our country. Without the selfless devotion and commitment of our military forces, we can only imagine what our future as a nation would have been. To this very day, our military forces continue in that vein. Even after volunteering to serve their country, we continue to lose our veterans to suicide.

Although programs have been established to identify and provide assistance and counseling to our veterans in need, they apparently fall short of the desired results. In 2023, over six hundred veterans from all branches of service perished by their own means. While statistics for last year have not been confirmed, sadly, the first quarter of the year showed a marked increase from the previous year. **NO ONE'S SERVICE TO THEIR COUNTRY SHOULD RESULT IN SUICIDE.** Their service, their suffering, and their sacrifice needs to be remembered ... especially on this day.

OCEAN RIDE ~ Reserve-A-Ride Program

Ocean County Transportation Services Department

Seniors (age 60 and over) and/or persons with disabilities (age 18 and over) on an advanced reservation basis primarily to destinations within Ocean County. **Pre-registration is NOT required, just call us when you need your appointment.**

You may call Ocean Ride Monday through Friday only, from 8:00 AM to 4:30 PM to make your trip reservation. We accept trip reservations on a first-come, first serve basis, up to (4) four weeks in advance. **All trip requests are to be handled by telephone by calling (732) 736-8989, then press "1" to speak with a Reservationist.**

The Reserve-A-Ride program is primarily designed to serve routine medical needs of Ocean County residents. Unlike the Fixed Bus Routes, this service does not operate on the basis of a printed schedule, rather routes and pick-up times are developed each day in response to the service requests we receive. **All vehicles are wheelchair lift equipped.**

Once your reservation has been made, **the driver will arrive anytime within 1 hour to 1½ hours of the scheduled appointment time** (depending on your travel distance). In accordance with Ocean Ride's Safety Policy, our **Drivers are NOT permitted to enter your home**, thus we **require that you be at ground level for your scheduled pick up.**

Riders will be billed via mail, the month AFTER service.

HABERDASH

Fashion your life like a new suit of clothes
Design the *silhouette* leaving room to grow
Not too tight that it pinches a frown from crown
All the way down
Nor so loose that your essence bags at the knees
Concealing your form like an opaque veil.

Choose a *fabric* of strong moral fiber
Balanced in warp and weft
With a *pattern* unique in concept
And bold in design
To wear just once, twice
If not forever.

The color of rainbow
The color of love
The color of water
Interwoven into the plaid of life
A cloak to cover all things now
And undaunted future.

Stretch, roll, curve, sigh across the lively loom
Weave your dream, then redream anew.
