SRPN PRESIDENT REPORT

It's such a feeling of pleasure to be aware that upon receipt of this bulletin we've already initiated many of the seasonal amenities that make residing in Silver Ridge Park North such a rewarding experience. Men's and Women's Club Bocce games have already begun, and the pool opening is moments away if, it has not already opened. Speaking of the pool, if you need pool badges and/or guest wristlets, they are currently available in the office, Monday through Friday 9am to 11am and Wednesday 6pm to 9pm. We continue to welcome Volunteers to monitor, open, or help maintain the pool and its area. Please don't hesitate to contact us if you are willing and available to offer some of your time to help out. Wiener Wednesday at the pool will begin shortly, which, in the past has become a worthwhile social event.

At our last HOA meeting we had the good fortune of a visitation from both Senator Carmen Amato and the director Ocean County Senior Services, Maria Laface. The information put forth by both individuals was of extreme importance and relevance to all of us as Senior Citizens. We are indebted to them for calling these to our attention and sharing with us the actions that we can take to turn the tables in our direction. Sincere thanks to both of them.

Our Memorial Day Flag Ceremony, and resident's BBQ that followed, took place on May 26. I'm certain that it was a very well run and meaningful event and wish to thank all of those who attended and participated.

Friday night Fun Nights have turned out to be just that - fun. Hoping that many of you will continue to take advantage of these pleasant (and free) social events at the clubhouse. Thanks, of course, to all those who help make these evenings possible.

The SRPN Travel Committee has several events in the works. For information regarding the details of any of the upcoming trips, please contact Kathy Soltys at 908-380-7176.

The Trex Collection of unrecyclable plastic has started again, as of May 1, and we have a year to collect 1000 lbs. to qualify us for a free, and sturdy, bench. There are White Collection Boxes at both entrances inside the clubhouse to deposit accumulations. The bench we received for last year's collection was placed near the front entrance of the clubhouse where everyone can view the fruit of our labor.

Just a reminder, the 3rd Quarter Dues are due on July 1st for those who have not paid for the entire year yet. If you have any questions on what you may still owe don't hesitate to call or come by the office during office hours. Thanks to everyone for their continued cooperation in keeping current.

You may have recently received, or are about to receive, a letter concerning a Special Meeting to vote on a slight increase in Dues for Operating Expenses beginning in 2026. If you have any questions regarding that letter, PLEASE don't hesitate to give us a call. We need to meet, and vote, in an organized and timely manner. Thank you all in advance for your participation and cooperation.

Wishing you all a happy and healthy summer season. Thank you all for making this community all that it is!

~ Gary Klaw

STILL PAYING IT FORWARD

In a previous article, I pointed out the need to protect your private information. That effort goes a long way to preventing fraud. However, the scammers are way smarter than we are and constantly find ways to circumvent preventive measures. The latest gimmick is AI (Artificial Intelligence). While AI has its PROS it also has its CONS, and scammers are using this technology to try to cheat you out of wealth (or what little we have of it!) Here are a few scenarios as examples:

1. Your computer suddenly flashes a notice that it has contracted a virus and provides a phone number or email for you to contact to remove it.
2. You receive a call or email from your internet provider requesting that an update of your profile (personal information) is required in order to maintain your account status.
3. You use your credit card to make an online purchases and it is declined. You use a backup credit card, and the same thing happens.

In #1 scenario, NEVER call the phone number or use the email provided. Some scammers can actually access your computer by you doing this. Contrary to their instructions, restart your computer.

In #2 scenario, internet providers will NEVER call you for your personal information. They may request an update after YOU log-on to the site and that is pretty common.

In #3 scenario, this scam is pretty tricky. In reality, your card was accepted, but using AI, it shows it was declined. If you reenter the card number again, the same will happen. One of the best ways to stop this scam is to be VERY PARTICULAR about which cards you have/use. Some cards have a built in system for detecting fraud. Find out which ones do and switch cards, if necessary. Pick a credit card that provides you with an email or text notification whenever, and wherever, it is used. That usually gives you an opportunity to decline the transaction. More importantly, be sure that the web site you are using for purchases is secure. A LOCKED PADLOCK will appear in the URL just before the web site entry. Check it every time you change screens or move to the next page. If it disappears or is in the OPEN position do not use the site.

A Limerick

-by Mario Ciasulli

People always wanna know why
They search for Pie in the Sky
They go to no end
They ask every friend
But leave with a shrug and a sigh

People are seldom shy
Quick to ask the next guy
But the answer they fear
Will seldom be clear
And still be left high and dry

So they carry on puzzled in wonder
And feel it was just a big blunder
Why do I try?
To wanna know why
From now on I'll keep it down under.

Crisis of Faith

It's been a while since we talked, God,
Because I can't understand.
So much fear and hate in the world today,
Is this what you really planned?

I'd like to think that it's not, Lord,
But the news is heartbreakingly sad.
War between countries and races and neighbors,
Seems like goodness is losing to bad.

While kneeling down to pray, Father,
Pouring my soul out to you.
Please give me a sign or an answer
That will help to carry me through.

A Rainbow or Ark would be nice, Most Holy,
A glorious Dove quite divine.
But even something less grand, say,
A hand helping hand would do fine.

A whisper in everyone's ear, Almighty,
To blow all the meanness away.
Start small and that kindness will flow from
Ourselves to another each day.

5. In accordance with Berkeley Township Ordinance, sheds must be placed at least three (3) feet from the back property line and at least (3) feet from the side property line;
6. If a homeowner chooses to install a shed adjacent to their home, it may NOT block any windows or doors;
7. Homeowners MUST submit an Architectural Approval Request form to the SRPN Architectural Committee. *Architectural Approval Request forms are available in the SRPN Clubhouse Lobby;*
8. The homeowner MUST submit a **Zoning Permit Application**, required fees, and forms to the Berkeley Township Town Hall/Zoning Office. *Zoning Permit Application forms can be obtained from the Berkeley Township Website or Zoning Office.*
