Legislation: S4104: Recently S4104 introduced by Senator Michael Testa, which would establish "a procedure permitting constituent homeowners to dissolve their common interest community through a two-thirds majority vote affirming a compliant plan for dissolution, as submitted to the executive board of the association following a petition signed by at least 25 percent of the association members." Our 9th Legislative District is aware of this legislation and is keeping a watchful eye on it. We will keep you updated if this bill moves forward.

New Scam Alerts: 1) Recently scammers have contacted seniors advising them they owe money to the **IRS** and to avoid additional fines they should submit payment through the link provided. The IRS will always contact you by letter, never contact through email or telephone. 2) **Census scam:** people representing the US Census employees are asking for your Social Security number, birthdate and other personal information. The **Census Bureau** does not do that. A census is run every 10 years. We are not due until 2030. Never click on a link you are not familiar with or give out any personal information through an email or text message.

Recycle Coach: Receive weekly reminders of your scheduled garbage and recycle pick ups. Recycle Coach also provides helpful suggestions on various topics. You can obtain the app through your mobile app store. It is beneficial and free.

- Meals provided are 1/3 of required dietary nutrition (protein, starch, vegetable). Every Monday we distribute a cold bag including granola, banana, bread and butter Everyone gets the same daily meals.
- If something looks off to the driver, the emergency contact is contacted to check on their loved ones.

VANISHING ACTS

It seems that I remember
Putting them just there,
But when I go to find them
My car keys are no where.

I always place my glasses
Next to my book at night;
I question why they vanish
Before morning's early light.

I knew a moment earlier
Why I went into a room,
And then the reason leaves me
So I shuffle out and fume.

It can't be 'cause I'm older
Life's playing tricks on me;
It must be evil fairies
Or elves that I can't see.

Before you make a snicker
I'll tell you what is true;
It's never all that funny
When it's happening to you!!!

~ Elaine Chiodi

Sight & Sound Theatre

A WHALE OF A TALE

Jonah is a prophet and a man desperately trying to outrun his calling from God - a calling that leads straight to his enemy, Nineveh. After uncharted adventures lead him off a storm-tossed ship and into the belly of a giant fish, Jonah believes all hope is lost. But in the depths, will he learn how to receive grace and extend mercy, even toward those he opposed the most?

Complete with magnificent sets, immersive special effects, and live animals, JONAH is a state-of-the-art theatrical experience for the whole family. Experience one of the Bible's most powerful stories of mercy as Jonah's journey comes to life like never before in this original production from Sight & Sound Theatres.
