

**Dear friends & supporters,
The following is a nice thank you email, with image, from the American Red Cross,
providing support to our troops at Camp Herkus, in Lithuania.
This is a new Base. Needing all the support they can get.
Thanks to all who make this effort as successful as it is.

Thank You from Lithuania!

Good Morning Lloyd,

I would like to express my sincerest gratitude on behalf of the soldiers here in Lithuania. Your donations of Girl Scout Cookies, candies, and entertainment media are directly benefiting the soldiers of the 2-8 CAV from Fort Hood. The time and effort from you and fellow organizations mean a lot. A taste of home is always appreciated out here and sweet snacks are always in demand. Most soldiers have their own cell phones and international network plans, and we don't have the capacity to use the Calling Cards at this site. My colleagues at other deployed sites have sent these cards with soldiers on their way home since it may benefit them more in transition. Nevertheless, more of the snacks you sent are always welcome!

Best,
Emily

Emily,

It is our pleasure to send items of support to you, and the men and women serving in the military at your location in Lithuania.

You have friends and supporters back home that care about you, and your efforts to make the world a safer place.

Please let us know of any special needs, including phone cards.

Lloyd
